**Attachments:** 2017-10-28 Draft FAC Directive.docx; 2017-10-28 Draft FAC Memo.docx; 2017-10-28 Draft Fact Sheet on Boards.docx; 2017-10-28 Draft Internal CoS communication.docx; 2017-10-28 UPDATED Draft News Release re Boards.docx

Attached, please find the updated versions with all the OGC edits incorporated. Once I updated them, I had to re-organize the internal communication and the press release accordingly. We will need to go through all the numbers again, and triple check to make sure they are accurate. And, Justin it might be helpful if you/Carol Ann could take a look at the internal communication and the press release again.

We will also need to finalize whatever website/document, etc. lists the actual members, so we can post it along with the release.

**Deliberative Process / Ex. 5**

**Deliberative Process / Ex. 5** also really appreciate the OGC team taking the time to review all these in such detail and explain their reasoning – it helped me understand why they were making certain changes. My only question is:

**Deliberative Process / Ex. 5**

Thank you – Liz

Attached, please find three documents for approval with regard to the Boards rollout. I realize that this is a moving target and we are still trying to nail down specifics on the grant numbers, but want to present the following as documents to review, including: a press release focused on the main message that the Administrator wanted to convey, a supporting fact sheet with details on each board (needs some specifics filled in) and then a draft internal message that Ryan can send to staff the day of the announcement.
